

2025 Scholarship Essay Contest

The Pennsylvania AFL-CIO Scholarship Essay Contest is a chance for students to learn more about the importance of Organized Labor in America.

Over the years, we have awarded tens of thousands of dollars to students furthering their education.

Scholarships are available exclusively to Pennsylvania AFL-CIO affiliated union members and their immediate family members.

Scholarships are offered to students in two categories: graduating high school seniors (Class of 2025), and all post-secondary students.

Essay Contest Categories

Labor unions have a rich history of aligning with broader social justice movements, fighting for economic and social equality for all. To effectively champion workers' interests, unions must actively engage in the political arena, lobbying for pro-worker legislation, supporting progressive candidates, and educating the public on the importance of a strong labor movement.

Category 1: Graduating High School Seniors

How do Labor Unions align with broader social justice movements? In your opinion, what role do Unions play in advocating equality and equity in the workplace?

Category 2: Post-Secondary Students

Labor Unions often play a significant role in politics. How do you think unions should engage with political systems, and what should be their focus when advocating for workers' interests?
